## Fresca e orecchiabile: “Life is fun”, ma dipende dal punto di vista

Lidia Romeo · Tuesday, July 27th, 2021

Quando ho ascoltato questa canzone realizzata da uno youtuber americano, The Odd 1s Out assieme a Boyinaband, mi è subito piaciuta perché mi ha sorpreso e divertito. Le ambientazioni e i personaggi sono stati fatti con l’animazione digitale e dunque tutto è stato fatto appositamente per questo video. Questa canzone è tanto orecchiabile e fresca, quindi la consiglio per la stagione più accaldata che ci sia: l’estate.

Il testo e il video della canzone sono un misto tra felicità e depressione, aspettativa contro realtà. Questa canzone è interessante perché fa capire che nella vita le cose che pensiamo o che crediamo giuste o buone in realtà potrebbero rivelarsi all’opposto. Per questo è importante ascoltare chi ha una parere o una visione diversa dalla nostra.

### **Life is Fun**

#### **The Odd 1s Out – Ft. Boyinaband**

Ah, such a beautiful day, uh  
The sun’s shining in a beautiful way, uh  
Gonna take a shower, brush my teeth and  
Life is ultimately meaningless  
Uh  
Uh, but I’ll get out of the house  
Get on the road, top down, hands out  
Put on my favorite song and nod to the rhythm  
The planet’s being destroyed by your carbon emissions  
But I, I, I’ll head to class  
Try my best on every test ‘til I pass  
And my grades are screaming in my face, ayy  
98 percent of what you learn is a waste  
I get to hang out with all my friends  
My friends are the friendliest friends  
Can’t think of a better way to spend my time  
Your brain is flawed and all your friends will die  
Never mind, I’m alive in the greatest nation  
So proud of, the exploitation of natives?

This graceful bird means freedom for all  
 Tell that to the slaves, and bald eagles aren't bald  
 I can live in the moment, milk every second  
 At any time you could get clinical depression  
 But I'll just be happy, no matter what's in store  
 It's quite genetic and we have no cure  
 Uh, at least  
 We are young  
 Not for long  
 Life is fun  
 It only goes downhill  
 We gotta make the most of it, make the most of it  
 Or you'll regret it  
 We are young  
 For now  
 Life is fun  
 For some people  
 We gotta make the most of it, make the most of it  
 Good luck  
 Woo, I got a brand new job today  
 Doin' stuff that'll help the economy  
 I'll save money and buy things at the store  
 Banks can crash and capitalism is flawed  
 And it's all because of my hard work  
 And the thousand advantages you lucked into at birth  
 I put a lotta effort in my resume  
 Good thing you don't have a black person's name  
 I'm proud to be a functioning member of society  
 Finally, I can be the citizen I dream to be  
 Part of the community, contribute with my tax  
 What could possibly stop me? The shrinking middle class  
 I've at least got a nice stable job  
 Until it's outsourced to China or replaced by a robot  
 Oh God, well then I could relax a bit  
 You'll be empty with nothing to distract from it  
 But man I'm a passionate graduate  
 I can be different and I have a career paths to pick from  
 I could be a rapper or an animator if I'm lucky  
 Neither of those will make you happy, trust me  
 I'm able to choose what I pursue  
 You're a slave to people born richer than you  
 Then screw it, I'll keep going in  
 Then I'll party on the weekend and sing  
 Thanks to autotune  
 We are young  
 Not for long  
 Life is fun  
 It only goes downhill

We gotta make the most of it, make the most of it  
Or you'll regret it  
We are young  
We still die  
Life is fun  
Until you die  
We gotta make the most of it, make the most of it  
Because you'll die  
Life is a wonder  
You'll never know the answer  
Nature is a miracle  
Natural disasters  
It's good to be alive  
You could wake up with cancer  
But I'm healthy  
Healthy people still get cancer  
I love this show  
It's the last episode  
The sun is shining  
It's going to explode  
Every species is beautiful and unique though  
Children have malaria thanks to mosquitoes  
I met a cute girl with a ponytail  
Statistically, that relationship is going to fail  
I have a wonderful family, it's like no other  
You're not special and one day you'll bury your mother  
(Jeez dude) no matter what happens I can find a home  
We will all die alone  
There's amazing potential in every human on Earth  
There's no escaping the heat death of the universe  
I don't have to live life based on negative parts  
No matter how bad they are, they're just thoughts  
Yeah, that's fair  
Wait really?  
Yeah, that seems reasonable  
Wait, wait, wait, wait but you were just telling me  
Whatever man, I dunno, live your life how you want  
I'm not forcing you to do anything, I'm just saying  
Oh  
Well, in that case  
We are young  
Life is fun  
We gotta make the most of it, make the most of it  
We are young  
Life is fun  
We gotta make the most of it, make the most of it  
Enjoy it while it lasts
